"Out where the smile dwells a little longer
That's where the West begins"

DEDICATION

Out where the sun is a little brighter
Where the snows that fall are a trifle whiter

To
MISS EMMA ROESSLER

To the memory of

Miss Josie W. Burke

"Fond clustering hopes have sunk with them
That earth can ne'er restore;
Love casts a garland on her grave
That may not blossom more.
Peaceful be thy silent slumber,
Peaceful in the grave so low;
Thou no more will join our number,
Thou no care or sorrow know."

CLASS HISTORY

The Class of '29 entered the R. S. H. S. in 1925. Alvin Musgrove was elected president, but later resigned and Jack Smith took the chair. In our Sophomore year, John Lucas was elected president and was so successful, he was re-elected in our Junior year. During this year, we published the "Sagebrusher" and put on the Prom, which was a success both socially and financially. Now we are prepared for the greatest honor of all —that of becoming Seniors. Time is flying fast and we are nearing the end of our journey. The best part of our life is about to be taken from us, but even then we will always hold it sacred in our memories.

Rock Springs District Football Champions

Rock Springs, winners of the Southwestern Wyoming District in 1928, began their season in September, with their first victory over Superior, and were defeated only once throughout the entire season. The last game on the schedule was with Rawlins, which determined the championship for this district. The team was lead throughout the season by Captain Rennie.

The lettermen returning for the coming season are Bruce Culver, Captain-elect; Ray Smith, Lennie Pentilla, and Steve Bartek.

We entered this season's games with an inexperienced team, our state champions having graduated, but we came out of the fray a lot better than was expected. We had one of the smallest teams in the tournament, but it was just as scrappy as any of them. There is some good material coming up for next year, and it looks like we'll have the cups back again to stay.

Life Is a Hurdle!

With each new day we meet some new obstacle. Sometimes it is slight; sometimes it is great.

These obstacles are hurdles in the race of life. How we meet them depends upon our ability, our training and often our financial position.

The men and women who live within their means, who lay aside a definite amount each month as a reserve fund, have little difficulty in meeting financial obstacles when they arise.

Prepare for the hurdles of life! A Savings Account will help you.

Out Where The West Begins

Out where the handclasp's a little stronger,
Out where the smile dwells a little longer,
That's where the West begins;
Out where the sun is a little brighter,
Where the snows that fall are a trifle whiter,
Where the bonds of home are a wee bit tighter,
That's where the West begins.

Out where the skies are a trifle bluer,
Out where friendship's a little truer,
That's where the West begins;
Out where a fresher breeze is blowing,
Where there's laughter in every streamlet flowing,
Where there's more of reaping and less of sowing,
That's where the West begins.

Out where the world is in the making,
Where fewer hearts with despair are aching,
That's where the West begins;
Where there's more of singing and less of sighing,
Where there's more of giving and less of buying,
And a man makes friends without half trying,
That's where the West begins.

It is the desire of the entire staff to acknowledge their indebtedness to Mrs. Alma Schwarz for the art work which she so kindly created expressly for use in this book.

Also to Mr. Arthur Chapman, the author of "Out Where the West Begins," we extend our thanks for his kind permission to use his poem.
